These are some of our Brands...

Fill Your Own offers an array of carbon-neutral, non-toxic and reusable products ideal for both kids and adults. Enjoy greener every day living with BPA free stainless steel water bottles, plastic-free food containers, reusable lunch bags, compact shopping totes and litterless lunch kits. All products feature fun and colourful designs by Canadian artists. Being green can also be attractive! Fill Your Own and choose to reduce, reuse and recycle!

Distinctly RED designs, sources and creates unique pieces that are of the highest quality and detail, bringing you closer to a one-of-a-kind item. Specializing in limited edition hand embroidered handbags and Chevron machine washable embroidered greeting cards to home & decor items, Distinctly RED provides gifts that are "Distinctly" special!

Pearl & Daisy Natural Soap Company offers 100% natural artisan soaps and bath products that nourish the skin and delight the senses. This line of organic handmade products are inspired by Canada's beautiful east coast and feature vintage-style packaging which lend a nostalgic charm that is truly Canadian.

Silkberry Baby™ is a unique eco baby bedding and clothing line designed with the modern, eco-conscious parent in mind, Silkberry Baby bedding products begin with the highest quality, long strand mulberry silk floss filling, generously stuffed within a 100% bamboo fabric or soft cotton fabric cover. Natural, breathable, chemical free and hypo-allergenic silk fibre is the best choice for baby's sensitive skin.

Dream Tea Boutique is the exclusive distributor of premium loose leaf teas from Forsman Tea (Finland). Forsman's quality and multitude of flavoured European teas are now available in Canada. The Forsman selection of naturally infused teas includes organic, fair trade, rooibos, herbal, mate, red, green and black teas.

HeidiKids provide quality German-made wooden toys for babies and toddlers. All products, ranging from pacifier holders to rattles, clip tops, cars, trucks and ball & tracks, are approved by parents, early childhood educators and pediatricians for safety, sustainability, quality, educational and fun.

Mitt-ONS are innovative mittens which stop snow from getting in, keeping kids hands warm and dry. These snow mittens are made from Thinsulate waterproof material and feature a removable fleece sleeve to the elbow as well as a cotton thumb for runny noses. MITT-ONS™ have been designed to stay on!

Buffalo Natur offers school and office products made from recycled and natural materials including bamboo, stone, corn starch and jute. This product line brings environmentally-friendly school and office products into the homes, schools & offices and helps increase awareness for protecting the environment. The products range from writing to portfolio products and pencil cases to messenger bags. Buffalo Natur is a green solution for home, office and school supplies.
